There (Continued on Schedule O, Statement 2)

**2** Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?  Yes  No

If "Yes," describe these new services on Schedule O.

**3** Did the organization cease conducting, or make significant changes in how it conducts, any program services?  Yes  No

If "Yes," describe these changes on Schedule O.

**4** Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

**4a** (Code: ) (Expenses \$ 390,915 including grants of \$ 373,329 ) (Revenue \$ 0 )

The Organization's funds are used to support the operation of a children's home and school in Chimaltenago, Guatemala. The home cares for over 61 children. Because they are older, and getting close to the age when they must leave the home, six of those children reside in a "transition home". The others reside in the home. The Organization also supports the operation of a school on the same property, which services the children from the home and children from the impoverished neighborhood next to the home's property. The number of students that attend the school exceeds 300. The cost to maintain, house and feed over 61 children who are cared for by the Organization was 373,582.

**4b** (Code: ) (Expenses \$ 85,817 including grants of \$ 75,584 ) (Revenue \$ 0 )

The Organization has only one Mission which is described in Explanation number 1. Part of that Mission is to support the operation of a school constructed on the Organization's property. The School has over 300 students. The school goes only to middle school. All of the age appropriate children who live at the Home attend the school. The other students come from the impoverished neighborhood that is located next to the Organization's property. The school has 23 teachers and is considered excellent.

**4c** (Code: ) (Expenses \$ 74,907 including grants of \$ 74,076 ) (Revenue \$ 0 )

The organization provided \$5,971 as scholarships to impoverished children in the neighborhood of the Home to enable those children to attend the onsite school. Without the scholarships, they would have been unable to attend. The scholarships were based upon need. The organization incurred expenses for work teams and for materials for individuals who came to the home to do new construction, building repairs and programs for the children.

Form 990, Part III, Line 2 - Recent Guatemalan law has articulated a decided preference for children to be raised in a family setting, especially for children 6 years old and younger. By reason of that, the Organization has designed and improved a specific section of one building to be used as home for young children. The Guatemalan charity that operates the Children's Home has hired a husband and a wife, who are mature Christian individuals, to live in that space with the children, and to share meals as a family in that space. Currently there are 10 young children who are participating in that arrangement. Given the fact that there are 10 young children in their care, the husband and wife team need help from other employees of the home, and that help is being provided. The organization is monitoring this situation carefully.
